

Use Case – Human Capital Management

Leveraging One Paper Lane to optimize HR operations.

"I like the concept where one can do away with manual tasks and have valuable data in a secure format. We look forward to a long-term partnership with One Paper Lane."

- Director of HR and Analytics

PROBLEM STATEMENT

Old legacy systems not integrated.

Expensive consultants with ideas, not turnkey solutions.

Global spread resulted in siloed operations and disparaged systems.

OUR SOLUTION

End-to-end HR set-up

Employee on/off-boarding.

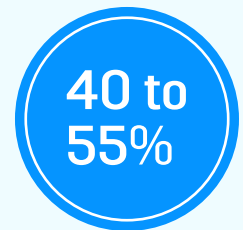

Recruitment.

Policy orientations.

Appraisal management.

T&E management.

OUTCOME & BENEFITS

Reduction in time to onboard employees.
