

# Use Case – Leading Real Estate Development & Management Company

Digitized the Property Lease Management Process.

*“One Paper Lane was able to help us improve the lease processing experience for our customers, while also enabling us to quicken the leasing process and improve our bottom-line.”*

**- Finance Controller**

## PROBLEM STATEMENT

Property leasing process was cumbersome leading to slowing down of the property lease cycle time

Documents were not digitized, leading to inefficiencies and lower client satisfaction.

## OUR SOLUTION

### Digital Lease Management Process

Optimized the lease management process.

Digitized existing documentation – enabled smart forms.

Enabled tracking and follow up of the leasing process.

## OUTCOME & BENEFITS

Improvement in efficiency

Improved customer experience

Become a part of the One Paper Lane digital revolution
